Dear Valued Customer,

### **RE: FAIRVIEW CORPORATE NAME CHANGE**

We are excited to announce that as of January 1<sup>st</sup>, 2018 our legal name will change to **Fairview Ltd.**

It became clear, with our 50-year anniversary approaching in 2019, that the corporate name Fairview Fittings & Mfg. Limited no longer reflected the full scope of Fairview's business, or truly represented the vast array of products and value-added services Fairview offers beyond traditional pipe, flare & compression fittings.

The growth of Fairview's product offering to well over 15,000 sku's, sold internationally across 10+ Industries and under multiple brands, ultimately precipitated the need for change.

This update to Fairview's corporate title is a change in name only and will have no effect on any operational issues, such as our warehouses or personnel. ALL **Fairview Ltd.** customers will continue to see the same great service, offering and quality they have become accustomed to.

***Please forward this announcement to the people in your company responsible for purchasing, payments and vendor correspondence.***

Thank you for your continued support,

**Leslie Woodward**
